LEXICAL GAMES

The image features a cartoon character wearing a headset and holding a computer mouse. Several crossword puzzle grids are overlaid on the character and the background. The grids contain the following words:

- SCANNER** (horizontal grid across the character's face)
- OPERAND** (horizontal grid on the character's left arm)
- COURSE** (vertical grid on the character's right arm)
- STORAGE** (horizontal grid on the character's left hand)
- SET** (vertical grid at the top right)
- TRANSFER** (horizontal grid at the bottom)

Other grids are empty, with some containing the letter 'E' in specific positions, likely serving as a starting point for a word search or a similar game.
